## Trekking in Nepal

Club newsletter editor, Roger Vorst, went trekking through the Annapurna region of Nepal in February of this year. See page 5 of this issue for some of his pictures.

Roger has produced a 20 minute travelogue of his adventures. Anyone who wishes to see it should pester him at the Glass Creek Rally.

## June Lakes Rally at Glass Creek Campground

June 19 - 24, 2008

It's time once again to meet at the Glass Creek Campground in the beautiful eastern Sierras, between Mammoth Mountain and the June Lakes Loop.

Arrive as early as you want, stay as late as you can.

In addition to the usual TOW potlucks and campfires, there are tons of places to go and things to see nearby.

There are shops and fine dining in Mammoth Village, and a shuttle bus from the ski resort to take you down to the Devil's Postpile Monument. It will drop you off a short distance from the postpile, Rainbow Falls and many other spots ideal for hiking and pictures.

Further north, is Obsidian Dome, a mountainous volcanic glass formation or the beautiful June Lakes Scenic Loop where you can get a cup of coffee and sip it on the shore of Silver Lake (picture at top.)

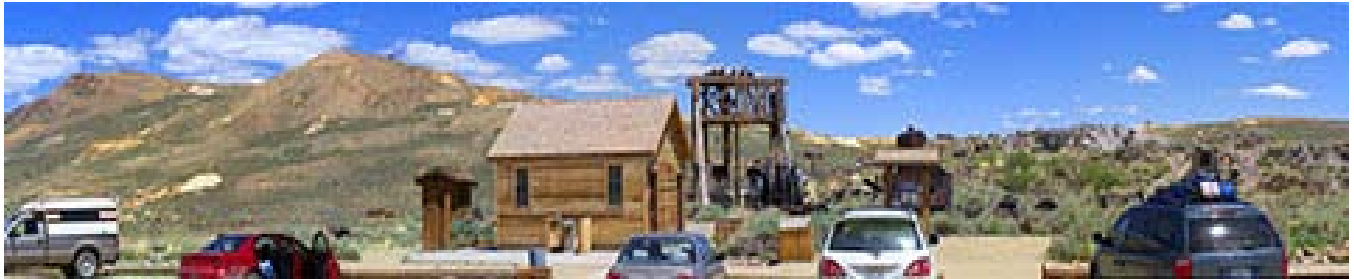

Up Hwy 395 there is the Tufa Reserve at Mono Lake and for the adventurous who don't mind the bumpy dirt road, there is the wonderfully preserved historic Bodie Ghost Town State Park with an optional tour of the old stamp mill (see pictures on next page.) The pictures on the cover of this issue and on this page are just a sample of what is in store for all of you who attend. Contact [sheashay@att.net](mailto:sheashay@att.net) if you need further details.

# A Great Time In Long Beach

It started with a few campers arrived on Thursday. Friday for the most part was a lazy day soaking up the sun around the pool and welcoming campers as they arrived. The Friday night Meet and greet was attended by over 20 people. They enjoyed some good conversation and appetizers. That grassy area that all of us back up to makes a wonderfully comfortable place to gather in the shade of the trees. Saturday morning we had a nice continental breakfast and a lazy morning. Some went to spend the day at the festival with the live bands and the vender booths, others stayed around the RV park visiting with friends new and old and played in the pool. On Saturday night we had a large group for the potluck; maybe 25 or 30 with a fantastic variety of food. When I went to bed at midnight I was surprised at the number of people still up and visiting. Sunday morning started off with coffee and donuts. Most of the group took off for the parade & festival. Sunday night some of the group stayed in or gathered in smaller groups. Most went to bed

early, after having a full day in the sun. Monday morning was a lot of goodbyes and RV's pulling out for the drive home.

The Pics are from the Meet & Greet on Friday. I did not get pics of the potluck it was much bigger and I was much busier.

I'd like to thank all the people that helped me to make this outing a great success. I'm definitely doing this again.
